AMID INDIA-US TENSION OVER TARIFF

Putin dials Modi, briefs him on Alaska summit

● India renews call for peaceful resolution to Ukraine war

SHUBHAJIT ROY
New Delhi, August 18

TWO DAYS AFTER he met US President Donald Trump in Alaska, Russian President Vladimir Putin called up Prime Minister Narendra Modi on Monday and “shared his insights” on the meeting. “Thank my friend, President Putin, for his phone call and for sharing insights on his recent meeting with President Trump in Alaska. India has consistently called for a peaceful resolution of the Ukraine conflict and supports all efforts in this regard. I look forward to our continued exchanges in the days to come,” Modi said in a post on X.

The Prime Minister’s Office (PMO) said Putin shared his assessment of his meeting with Trump. “While thanking President Putin, the Prime Minister underlined India’s consistent

Russian President Vladimir Putin at the Kremlin on Monday

position for a peaceful resolution of the conflict through diplomacy and dialogue. He reiterated that India supports all efforts in this regard,” it said. The PMO said the two leaders also touched upon a number of issues of bilateral cooperation with a view to further strengthen the Special and Privileged Strategic Partnership between India and Russia.

Besides Modi, Putin also called up leaders of Tajikistan, South Africa, Uzbekistan, Kazakhstan and Belarus on Monday to brief them on his talks with Trump. This means Putin is

keeping his strategic partners in the loop about his conversation with Trump on the Russia-Ukraine war.

The phone call between Modi and Putin — their second conversation in 10 days — is significant in the backdrop of the tension in ties with the US after Trump doubled the tariff on India over its purchase of Russian oil. On August 8, Modi and Putin held a phone conversation during which they discussed “the latest developments on Ukraine” and reaffirmed their “commitment to further deepen the India-Russia Special and Privileged Strategic Partnership”.

Modi and Putin are expected to meet on the sidelines of the Shanghai Cooperation Organisation (SCO) leaders’ summit in China’s Tianjin on August 31-September 1. External Affairs Minister S Jaishankar is scheduled to travel to Moscow to meet his counterpart, Russian Foreign Minister Sergey Lavrov, on August 21. Earlier this month, National Security Advisor Ajit Doval also travelled to Moscow and met Putin.

Oppn targets CEC, looking at legal steps

JATIN ANAND
New Delhi, August 18

TAKING EXCEPTION TO Chief Election Commissioner (CEC) Gyanesh Kumar’s comments at a press conference a day earlier, the INDIA bloc of Opposition parties on Monday said it was considering “both legal and Constitutional measures” against the poll panel chief.

It is learnt that the Opposition is considering moving a notice for an impeachment motion against Kumar, whom it accused of “talking like a BJP spokesperson” instead of answering questions on the

INDIA bloc leaders address the media in New Delhi on Monday

Special Intensive Revision (SIR) of electoral rolls in Bihar and alleged voter-list irregularities. On Sunday, faced with mounting questions from the Opposition, Kumar asked Lok Sabha Leader of Opposition Rahul Gandhi to either submit allega-

tions of vote theft on a sworn affidavit or apologise to the nation. According to sources, the matter of the CEC’s impeachment was discussed at a meeting of Opposition floor leaders chaired by Rajya Sabha LoP and Congress president

Mallikarjun Kharge earlier in the day. “We have had discussions and there is consensus. We will take an appropriate decision at the appropriate time,” said the Congress’s Deputy Leader in the Lok Sabha, Gaurav Gogoi, who was among those

who addressed a press conference of Opposition parties. “If we have all jointly come before you, all parliamentary and legal options are open,” said RJD MP Manoj Kumar Jha. Accusing the EC of “running away” from the Opposition’s allegations, Gogoi said, “The right to vote is the most important among those in the Constitution... Our democracy is alive solely because of this right, the EC is the protector of this right; but are seeing that it is not only unable to answer questions being raised by several political parties, it is running away from them.”

FROM THE FRONT PAGE

Dalal Street thumbs up to GST rejig proposal

OUTPERFORMING THE BENCHMARKS, the broader BSE Midcap and BSE Smallcap indices advanced 1% and 1.39%, respectively. The market breadth was positive, with 2,562 gainers against 1,627 losers on the BSE.

Investor wealth rose by ₹6.17 lakh crore — the biggest single-day addition in three months.

Domestic institutional investors continued their buy-

ing spree, purchasing shares worth ₹4,103.81 crore, while foreign portfolio investors, too, turned net buyers to the tune of ₹550.85 crore, according to provisional BSE data.

“The positive sentiment was driven by GST reform proposals, easing concerns over crude oil prices, and a sovereign rating upgrade, which together lifted the investor confidence,” said Ajit Mishra, SVP — research, Religare Broking.

Mishra said the rebound reflects renewed optimism supported by policy tailwinds and improving technical indicators. However, he cautioned that lingering global uncertainties, particularly around the India-US trade talks amid a possible delay in their meeting, could weigh on the sentiment.

“The proposed rationalisation of the GST is a sentiment booster for the domestic market. Additionally, the recent

conclusion of the US-Russia summit without any escalation in geopolitical tensions has helped ease investor anxiety,” said Vinod Nair, head of research, Geojit Investments.

He added that the automobile sector is expected to be a key beneficiary of the anticipated tax reforms and that consumption-led sectors could gain traction in H2FY26 on the back of a demand revival.

Sector-wise, automobiles

and consumer durables were the top performers, gaining 4.26% and 3.08%, respectively. Consumer discretionary, realty, commodities, and metals advanced over 2% each. On the flipside, IT, power, and tech were the sectors to close in the red.

Maruti Suzuki led the Sensex gainers with a 9% rally, followed by Bajaj Finance, UltraTech Cement, Bajaj Finserv, and M&M, which gained up to 5.02%.
